This **Policy** will allow the **Insured** the opportunity to notify **Insurers** of **Claims** made against them or **Circumstances** as soon as practicable but not later than 30 days after expiry of this insurance provided that the **Insured** first became aware of the **Claim** or **Circumstance** prior to expiry.

- 11.8 The **Insurers** may at any time pay to the **Insured** in connection with any **Claim** or series of claims under this **Policy** to which the **Limit of Indemnity** applies the amount of such limit (after deduction of any amounts already paid) or any lesser amount for which such **Claim** or claims can be settled and upon such payment being made the **Insurers** shall relinquish the conduct and control of and be under no further liability in connection with such **Claim** or claims notwithstanding the fact that the **Insured** has been only partially reimbursed for their **Loss** due to the amount of any **Deductible** payable in terms hereof.
- 11.9 Where this **Policy** has been extended to include dishonest acts or omissions of any person treated as the **Insured**, in respect of **Claims** arising from such dishonesty, the **Insured** shall assist **Insurers** to take all possible action to sue for and obtain reimbursement from such person and any money or other property held by the **Insured** which, but for such dishonesty, would be due to such person shall, to the extent allowable in law, be deducted from the **Insured's Loss**.
- 11.10 All recoveries made in respect of any **Claim** under this **Policy** shall be applied (after deduction of the costs, fees and expenses incurred in obtaining such recovery) in the following order of priority:
- a) the **Insured** shall first be reimbursed for the amount by which their liability in respect of such **Claim** exceeded the amount of indemnity provided by the **Policy**;
 - b) the **Insurers** shall then be reimbursed for the amount of their liability under the **Policy** in respect of such **Claim**;
 - c) any remaining amount shall be applied towards the amount of the **Deductible** borne by the **Insured** in respect of such **Claim**.

- 11.11 Where the premium is provisionally based on the **Insured's** estimates, the **Insured** shall keep accurate records and declare and make payment for all additional and late-joining members on at the least a quarterly basis if not more frequently.

- 11.14 If at the time of any event giving rise to a **Claim** under this **Policy**, other insurance cover exists applicable to such **Claim**, the **Insurer** shall be liable (subject at all times to the terms of this **Policy**) to pay only a rateable proportion of the amount payable to the **Insured** in respect of such **Claim**, whether the **Insured** is paid under such other insurance or not.

If such other insurance is provided by the **Insurer** or any group company or affiliate of Hollard Insurance Company Ltd, ("Hollard"), then the maximum amount payable by Hollard under all such policies shall not exceed the **Limit of Indemnity** of that policy referred to above which has the highest applicable **Limit of Indemnity**. Nothing contained herein shall be construed to increase the **Limit of Indemnity** of this **Policy**.

To the extent that another insurance policy imposes upon an insurer a duty to defend a **Claim**, **Defence Costs** arising out of such **Claim** shall not be covered under this **Policy**.
